

# Spring Car Tune-Up Checklist

[ThisNThatwithOlivia.com](http://ThisNThatwithOlivia.com)

## Car Exterior

- **Wiper Blades** – check and replace, if necessary.
- **Tires** – check tread and replace, if necessary.
- **Wash/Wax** – give your car a good wash/wax. Spring is a great time to wax your car.

## Inside The Vehicle

- **Cabin Air Filter** – check and change. (see tutorial)
- **Vacuum** – carpets and seats.
- **Dashboard** – wipe down all dashboard components.

## Under The Hood

- **Oil** – check the engine oil level and change, if necessary.
- **All Fluids** – check fluids like brake, power steering, transmission, windshield washer solvent and antifreeze/coolant. If any are low, contact your car care center.

## Under The Vehicle

- **Brakes** – check the entire brake system.
- **Shocks/Struts** – check to ensure they're not in need of replacement.
